Have a Safer Ride!

Bike riders share our roads with everyone walking or driving. It is important that ALL RIDERS comply with these safety rules. Please talk with your kids! 1. Stop & look both ways before crossing or approaching an intersection. 2. Control your speed- be able to come to a complete stop easily. 3. Do not ride down hills without stopping.

Boat Safety

We love watching all the campers enjoying our lake with their private boats! Please remember that safety is our first priority and anyone boating on our lake must be wearing a coast guard approved life jacket. This applies to all ages and all types of boating!

Gate house Safety Reminder

Please remember to stop at the gate house even if the gate house attendant opens the gate for you.

Please look for other cars and campers at the intersection.

Reminder when entering and exiting Fish Lake at the gate house, the gates allow only 1 car at a time.
