### Comcast

Get Comcast services for your seasonal site. Comcast representative, Dale Betts can help you! Contact him at (847) 366-3646 or Dale\_betts@cable.comcast.com

Please think about what you are allowing your kids to do!

Last week, YC, witnessed a boy (about 10) ride a motorized scooter down the hill (by the garages). He did not stop at the stop sign at the base of the hill. He flew toward the beach. She was going 10mph and could not catch up to him. He blew a second stop sign by the L sites. Added to all of this....he wasn't wearing a helmet! She finally stopped him and he had no idea that what he was doing was dangerous.

There is nothing safe about allowing a child to drive a motorized scooter without a helmet and no knowledge of the rules of the road. Please do not allow someone innocent to get hurt.... either the driver or a pedestrian walking.

### Gate house Safety Reminder

Please remember to stop at the gate house even if the gate house attendant opens the gate for you.

Please look for other cars and campers at the intersection.

Reminder when entering and exiting Fish Lake at the gate house, the gates allow only 1 car at a time.

**Firewood-** Split logs of firewood or bundles can be ordered by calling 847-546-2228 (between 3p-6) on Friday, Saturday, or Sunday for delivery to your site between **4-6:00pm** on that same day. Split logs are \$12 for 15 logs & bundles are \$7 each. You can buy pre-packaged firewood at the gatehouse at any time.

Our very popular My Happy Place hoodies are **IN STOCK!** These buttery soft and warm hoodies will come in handy on cooler evenings. A great gift for yourself or Fish Lake fan!

Remind everyone who uses your toilet.....NEVER FLUSH WIPES OF ANY KIND and only use RV toilet paper.

Keep a trash can in your bathroom for baby wipes, facial wipes, flushable wipes\*, sanitary products and diapers. **\*Flushable wipes are not biodegradable-they do not break down.**

Empty your tank regularly. Fill your tank with water prior to emptying. Treat your tank with additives, such as **AquaKem**, to help decompose waste and facilitate the emptying of your tank.
