FAQ: Licensees, Title, Passes

As seasonal campers fill out the registration forms we tend to get questions about who can be a licensee, who gets free vehicle passes, and what title information is required. Please refer to the answers below as you fill out the registration forms. This information can also be found in the Permit and License Agreement and Seasonal License Handbook 2021.

Licensee(s): The **primary licensee must be named on the unit title**. If there is a **secondary licensee**, that **individual must reside at the same address as the primary licensee** and must fill out and sign the registration forms where required. **If there is not a secondary licensee**, you may fill out the non-licensee, Vehicle Passholder fields to get a vehicle pass at no charge.

Title: A copy of the original trailer title must be on file with Fish Lake Beach. If the unit title is not in the licensees name, **the licensee must apply for a title change and bring the updated title to the registration office**. If the unit title is held by the bank we require a copy of the application for the trailer title.

Passes: The license includes up to 2 vehicle passes for vehicles owned and driven by the **primary licensee** as well as vehicle passes for the licensee(s) **Unmarried Children 25 or Under That Reside At The Licensee(s) Home** and up to 2 vehicle passes for vehicles **owned and driven by the secondary licensee**.
