Trash Talk....

NEW REQUEST- If the dumpster nearest to you is full, please use another dumpster. Many of them are half full, others are spilling over with rubbish by Saturday. Our pick ups are on Mondays so the dumpsters become unsightly. This past week our waste removal services let us know that two dumpsters were so blocked by extra bags of trash and in one case, a parked car, that the dumpsters could not be emptied.

As part of our effort to beautify the park we need your help with the use of our recycling and trash containers.

- We will pick up **bagged** yard waste if you leave it at the edge of your driveway.
- Please do not put yard waste in any container: if you do, our service provider will NOT empty that container!
- Please put recycling items in recycling containers and trash in trash containers.
- Please do not leave large objects (tv's, sofas, siding, appliances, mattresses, etc) outside of the trash containers,. If you have a large object call us so we can pick it up and dispose of it. A \$50+ fee applies.
- **Please collapse cardboard boxes** before putting them in the recycling container.

We get frequent pick ups to serve our needs but without your help the containers overflow quickly and it looks ugly and untidy. Thank you :)
