Electric Tips

We highly recommend the use of surge protectors

With your spring clean up, don't forget to get your air conditioner serviced! For it to work effectively when it gets warm, the coils must be cleaned.

NEW

The 2 recycling dumpsters that were by the pavilion had to be moved to the Z sites near the mini golf course. Please break down boxes before putting them in the dumpster and do not put trash in the recycling dumpster. Groot informed us that the contents of our recycling dumpster never actually get recycled because they contained a mixture of recyclables and trash.

Drinking & Driving

Please remember for the safety of all, be mindful! (the same way you are when driving the highways) Also, Golf carts and motorized bikes are dangerous too, when the drivers judgement is impaired. Many campgrounds have staff hired and tickets issued with warnings. Please lets be different and every-one stay safe!
