## Pool

### Water ONLY, please

- Any beverage that will attract bees, hornets, wasps creates a risk to patrons with allergies to stings.
- The entire pool deck is an alcohol free zone. To help minimize the inherent risks at our pool we respectfully ask for cooperation with this rule.
- Clear plastic water bottles provide lifeguards and pool attendants some measure of visual reassurance that a beverage in the pool areas is water. Clear plastic reusable bottles as well as clear plastic disposable are both acceptable. Thank you.

### Pool Chairs and Loungers

The commercial grade deck chairs and loungers are POLY-RESIN meant to wear but are not indestructible. Dragging them on the concrete pool deck causes wheel bolts to break and the chair material to scar, crumble and crack.

They were 6ft apart for Covid, however, we are moving them into pairs of 2. PLEASE do not move them from these groupings. We need them to last and serve our pool patrons for as long as possible. Thank you.

## Gate Info

The interior entry gate opens with access cards. No card is needed to exit. Both gates are programmed to allow one car to enter or exit at a time. Damage to gate equipment is subject to a \$700 fine. The gatehouse area is video monitored 24x7.

## Safety Matters at FLB

Driving any vehicle while impaired is dangerous, this includes golf carts-bicycles and scooters. Here's what you can do to help-

- Please choose to walk or pick a designated driver to help you get back to your site if you've been drinking.
- Be mindful of how much you're drinking and the affect it's having on you.
- If your neighbor has had too much to drink, help them get back to their site safely.
- Understand that driving on our campground roads requires caution, slow speeds and good reaction time. Even more so, given that our roads are shared by vehicles, walkers, bicycles, golf carts and trailers.
