Help Prevent Sewer Pump Problems/Failure!

***DO NOT** flush disposable wipes, paper towels, diapers, or feminine hygiene products. **ONLY** flush RV toilet paper and human waste

***DO NOT** pour grease down your drain!

All paper products listed above including those marked as flushable wipes do not disintegrate like RV toilet paper. These products get tangled up inside sewer pumps. The more wrong things that go down the drains and toilets, the more frequently the pumps fail, causing sewage to back up and flow onto the ground. It can also back up into trailers. We have had to replace multiple sewer pumps in the park this season. Please help prevent this problem.

Camper Rules and Policies at Fish Lake Beach

Overnight, Rental and Monthly Campers MUST comply with the rules signed at check in. A copy can be obtained at the store.

Seasonal Campers MUST comply with the rules in the 2023 Handbook Additional copies can be obtained at the store. Golf Cart Permit owners must comply with those rules or risk losing their permit. Do not allow anyone without a drivers license drive the cart!! Drive slowly, watch for others.

Trash Talk

We need your help! If you go to use a dumpster and it is full, **please use another dumpster.** There are many throughout the park on the main roads. Piling garbage on top of a full dumpster makes it impossible to close, which invites animals and allows odor to drift to the nearby trailers. GROSS!

Separately-large item pick up and disposal must be pre-paid at the office. Once paid, we will schedule pick-up from your site.

Tank & Toilet Talk

NEVER flush these in your toilet---disinfecting wipes, baby wipes, personal hygiene wipes, cleaning wipes or wipes of any kind, including wipes labeled 'flushable'. They damage our pumps which results in expensive repair PLUS sewer / water outages to multiple sections while we replace the pumps.

Gate Info

The interior entry gate opens with access cards. No card is needed to exit. Both gates are programmed to allow one car to enter or exit at a time. Damage to gate equipment is subject to a \$700 fine. The gatehouse area is video monitored 24x7.

Vehicle Passes

2023 vehicle stickers must be on your windshield or your admission will be by appointment only. We are no longer allowing un-registered seasonals to simply pay \$6 admission without being paid in full and registered completely.

Important!

Please talk with your kids....we love sharing our horses, goats, and chickens with everyone, and the campers in that area are very generous to allow a path to get near the animals. However, picking plant's leaves on campsites to feed the animals and leaving garbage on the ground that food was brought in isn't OK. Just remind the young ones!

We highly recommend the use of surge protectors in your trailer. For you're a/c to work efficiently clean the coils and maintain the unit. When the temperatures are high please reduce your electric consumption and use only one a/c unit to help reduce the possibility of power outages in the park.

Children

We realize that children make friends at the campground and are active. However, the safeguards and rules that make Fish Lake Beach a safe place do NOT replace the need for **parental supervision.** Please watch your children and know the whereabouts of your teenagers at all times. Do not let your young children wander around the park alone, unsupervised. Thank You
