## Annual FLB Style Cardboard Boat Races

Come to the store to pick up our rules & guidelines sheet! It's fun, creative, and a great family project. Everyone builds cardboard boats and then kid(s) and adult(s) race their boats in the swimming area on Saturday 7/27 at 7p. Ask in the store and we'll be happy to explain! Sign up required for planning. **Join the fun!** We have Large cardboard pieces at the store you can use!

### Help Avoid Power Outages When Temps Soar

When electricity consumption during heat waves becomes excessive, ComEd customers, including FLB, receive less power. This *increases the chance of power outages. Seasonal campers can help prevent these by:*

- Reducing overall electric consumption. Shut off *everything possible*.
- Use only 1 air conditioner. Our grid will not support using multiple air conditioners in one trailer during a heat wave.
- Surge protectors will shut down your trailer if insufficient power is available or the voltage changes when other trailers' air conditioning is turned on.
- Please install CampersApp and set notifications for ON. If an outage occurs, we use CampersApp to inform campers of the status.

### Camper Rules and Policies at Fish Lake Beach

**Overnight, Rental and Monthly Campers MUST** comply with the rules signed at check in. A copy can be obtained at the store.

**Seasonal Campers MUST comply with the rules** in the 2024 Handbook Additional copies can be obtained at the store. Golf Cart Permit owners must comply with those rules or risk losing their permit. Do not allow anyone without a drivers license drive the cart!! Drive slowly, watch for others.

### Trash Talk

If the dumpster nearest to you is full, please use another dumpster. Do not leave large items IN or AT dumpsters. Large items must be paid for in the store. We will pick up the items at your site and take them to a special dumpster.

### IMPORTANT Tank & Toilet Talk

Paper towels, feminine hygiene products, and wipes, **including those marked as "flushable wipes"** cannot be put in toilets. They don't disintegrate, get tangled in our pumps, and cause sewage to overflow **on the ground and possibly inside the trailer. Please dispose of these in your bathroom waste basket.**

### Parking

Campers and guests must park within the parking area of their site. If your vehicle(s) take up more than your parking area allows, those vehicles must be parked in the circle drive by the fishing pier. Security monitors parking.

### Gate Info

The interior entry gate opens with access cards. No card is needed to exit. Both gates are programmed to allow one car to enter or exit at a time. Damage to gate equipment is subject to a \$700 fine. The gatehouse area is video monitored 24x7.

### Scooters, Electric Bikes, and Non-Electric Bikes

FLB staff and campers are reporting to us that scooters and all types of bikes are cutting off cars, driving fast, and **darting in front of trucks, trailers, and pedestrians**. The risk of injury is REAL. Not long ago, a bike rider ran into someone walking and broke their hip. All scooters and bike riders need to **slow down, ride on the far right of the road, stop, and look both ways before crossing to make sure it's safe. Please wear helmets.**
