Help Avoid Power Outages When Temps Soar

When electricity consumption during heat waves becomes excessive, ComEd customers, including FLB, receive less power. This *increases the chance of power outages. Seasonal campers can help prevent these by:*

- Reducing overall electric consumption. Shut off *everything possible*.
- Use only 1 air conditioner. Our grid will not support using multiple air conditioners in one trailer during a heat wave.
- We highly recommend the use of surge protectors in your trailer. Surge protectors will shut down your trailer if insufficient power is available or the voltage changes when other trailers' air conditioning is turned on.
- Please install CampersApp and set notifications for ON. If an outage occurs, we use CampersApp to inform campers of the status.

Camper Rules and Policies at Fish Lake Beach

Overnight, Rental and Monthly Campers MUST comply with the rules signed at check in. A copy can be obtained at the store.

Seasonal Campers MUST comply with the rules in the 2024 Handbook Additional copies can be obtained at the store. Golf Cart Permit owners must comply with those rules or risk losing their permit. Do not allow anyone without a drivers license drive the cart!! Drive slowly, watch for others.

Trash Talk

If the dumpster nearest to you is full, please use another dumpster. Do not leave large items IN or AT dumpsters. Large items must be paid for in the store. We will pick up the items at your site and take them to a special dumpster.

IMPORTANT Tank & Toilet Talk

Paper towels, feminine hygiene products, and wipes, **including those marked as "flushable wipes"** cannot be put in toilets. They don't disintegrate, get tangled in our pumps, and cause sewage to overflow **on the ground and possibly inside the trailer. Please dispose of these in your bathroom waste basket.**

Parking

Campers and guests must park within the parking area of their site. If your vehicle(s) take up more than your parking area allows, those vehicles must be parked in the circle drive by the fishing pier. Security monitors parking.

Gate Info

The interior entry gate opens with access cards. No card is needed to exit. Both gates are programmed to allow one car to enter or exit at a time. Damage to gate equipment is subject to a \$700 fine. The gatehouse area is video monitored 24x7.

Scooters, Electric Bikes, and Non-Electric Bikes

New Campground POLICY-Starting 7/18/24 electric scooters and electric bikes may NOT be used in the campground **by anyone under 16 years of age**. This new policy was created in response to a growing pattern of fast and reckless riding behavior by kids and adults. Adults and riders 16 years old and over must comply with posted speed limits and stop at all signs and intersections before proceeding. While this new policy applies to electric bikes and scooters, the same rules apply to non-motorized bicycle use. Please wear a helmet.

Thank You.

Color Run Information

Event: Saturday, September 7th

We need **volunteers** to help each station with color throwing.

What is it? Participates will be walking/jogging in shifts from the pavilion down the main road to the store (finish line). There is will multiple stations that they will go through that will be throwing certain color powder into the air to stick to the participates.

Participates: Should wear white shirts and old clothes.

We NEED lots of volunteers to help with this fun NEW event at FLB!
